New York Blood Center  
310 East 67th Street  
New York, NY 10065

Dear Peter Ingrassia,

This letter is to confirm the current accreditation status of New York Blood Center. Your organization is currently in good standing with the AABB and working through the reaccreditation process.

Your current Certificate of Accreditation is valid for Donor Center Activities-Community Blood Center, Transfusion Activities, Immunohematology Reference Lab Activities, Molecular Testing Activities, and Perioperative Activities. The New York Blood Center remains accredited by AABB and a new Certificate of Accreditation will be issued upon completion of the accreditation process.

If you have any questions or concerns, please contact the Accreditation Department at 301-215-6492 or by e-mail at [accreditation@aabb.org](mailto:accreditation@aabb.org).

Sincerely,

*Melanie Ann Sloan*
